ANNUAL INDEX FOR 1989

AEROSPACE WORLD

UTA presses for more rights: 1/12
Soviets unveil world's largest aircraft: 1/12
BAe Jetstream 41 details revealed: 1/13
FAR 145 foreign repair station dispute resolved: 1/14
Airliner acquisitions: 1/15
Joint Stars: vital but vulnerable? 1/16
EFA development unblocked: 1/17
Beijing display: 1/18
Taiwan's new Ching-kuo fighter: 2/99
Final Reagan defence budget goes to Congress: 2/99
Saab proposes 50-seat commuter: 2/101
UTA sticks up for its rights: 2/102
SAS takes stake in UK group: 2/102
Airliner acquisitions: 2/104
Allison engines for Bell 222s: 2/105
Cessna Citation V certificated: 2/105
Scaled Composites goes it alone: 2/105
NASA stopgap budget allows for growth: 2/106
ESA chooses Cassini: 2/106
Hermes configuration continues to evolve: 2/107
Record orders for MD-11 and MD-80: 3/183
ABACUS strengthens team: 3/183
Air Inter needs new solutions: 3/184
Canadian takeover signals end of price war: 3/184
Airliner acquisitions: 3/185
Plessey's affordable anti-missile radar: 3/186
European missile companies look beyond 1992: 3/186
Implications of JAS-39 crash: 3/187
Ching-kuo flight control system: 3/187
New helicopter operator in North Sea: 3/188
GAMA: cheerful, but on its guard: 3/188
AMR to distribute Avanti: 3/189
Farnborough business aviation centre opens: 3/189
Dubai becomes main Middle East show: 3/190
Delta to pay $650 million to form joint CRS with American Airlines: 4/291
FAA looks towards 2000: 4/292
Beech announces new 19-passenger commuter: 4/293
Airliner acquisitions: 4/294
JAS 39 Gripen problems and prospects: 4/295
Nunn Amendment funds for Harrier II radar? 4/295
US Air Force plans for a reduced budget: 4/296
Falcon X: a challenger for Challenger? 4/297
GAMA criticises FAA forecasts: 4/297
Engine retrofit for early Falcon 20s: 4/298
12,000 jets by 2000, says GPA: 5/376
GPA places record order for new jet transports: 5/377
Airliner acquisitions: 5/378
AAWWS coming out of the black? 5/379
JAS39 crash and software problems: 5/380
Raytheon HIPAD to update Taiwan's air defences? 5/381
Piaggio Avanti marketing plans revealed: 5/382
Aeroleasing reinforces its position in Europe: 5/382
United places largest commercial aircraft order in history: 6/505
Life without Eastern: 6/506
Bombardier gives go-ahead to Canadair Regional Jet: 6/507
Airliner acquisitions: 6/507
GAMA first-quarter shipments: 6/510
Proposed changes to FAA registry system: 6/510
Implications of Pentagon budget cuts: 6/512
Head measuring by laser: 6/513
NH-90: will it go? 6/514
T-CSF seeker for Active Sky Flash: 6/515
New air training academy for Florida: 7/654
JARs cause hiccup in first European 747-400 deliveries: 7/655
Airliner acquisitions: 7/655
FSX impasse broken: 7/656
Tay re-engined BAC One-Eleven to fly shortly: 7/658
$100 million maintenance base for Shannon: 8/764
Geriatric jetliner fleet will grow: 8/765
ECAC anticipates EC liberalisation: 8/766
Airliner acquisitions: 8/766
Sukhoi signs MoUs with Dassault and Gulfstream: 8/768
B-2 flies: 8/769
Phalcon, Elta's conformal AEW concept: 8/770
US Congress tunes Bush defence budget: 8/771
Air Foyle in unique deal with Antonov design bureau: 9/850
Khabarovsk Airport sees future growth: 9/850
Sioux City spurs survivability study: 9/851
Latest takeover target: United: 9/852
EC Commission unveils second liberalisation package: 9/853
Airliner acquisitions: 9/853
Condor: king of the UAVs: 9/854
MDHC sees military potential for MDX: 9/855
Gulfstream remains optimistic: 9/856
GAMA: increase in exports: 9/856
Moscow symposium calls for joint action: 10/946
British Airways emerges as bidder for United: 10/948
Philippines multi-carrier program: 10/949
Airliner acquisitions: 10/949
Moscow air show sightings: 10/950
BAe 125 marches on to 1000: 10/952
European majors in new set of link-ups: 11/1079
US DoT concern over LBOs: 11/1079
IATA members report good results for 1988: 11/1079
Trump trumped... or positioning for better buy? 11/1080
Airliner acquisitions: 11/1081
Aircraft Finance 1990 beckons: 11/1082
Aircraft Finance 1990 – conference program: 11/1082
"Soviet Military Power 1989" hit by glasnost: 11/1084
B-2 flies "like a fighter": 11/1086
New bidder for United, re-regulation threatened: 12/1157
Fairchild unveils Metro 25: 12/1158
IATA tackles congestion, noise and security: 12/1159
Airliner acquisitions: 12/1160
MiG chief discusses design philosophy: 12/1161
ASRAAM back on track: 12/1162
F-117A in perspective: 12/1163
Airworthiness program for older aircraft: 12/1164
Industry recovery continues: 12/1164
Bell spreads its product line: 12/1164

AIR TRANSPORT

Boeing 737: the world's most sought-after jetliner: *Bron Rek*: 1/55
US Air Group spreads its wings: *Bertrand Bonneau*: 1/59
Washington and Denver tackle capacity crunch: *Douglas Nelms and Bron Rek*: 1/61

AIR TRANSPORT

Boeing 737: the world's most sought-after jetliner: *Bron Rek*: 1/55
US Air Group spreads its wings: *Bertrand Bonneau*: 1/59
Washington and Denver tackle capacity crunch: *Douglas Nelms and Bron Rek*: 1/61

Born-again Lauda Air makes its mark: *Martin Noble and Bron Rek*: 2/128

Air New Zealand's prickly path to privatisation: *Brian Davidson*: 2/130

Royal Jordanian looks to Europe: *Oliver Sutton*: 3/217

A better deal for European air traffic controllers? *Oliver Sutton*: 3/222

Ultra-long-haul airline operations loom: *Bron Rek*: 4/308

Emirates rides the transport boom: *Michael B. Sullivan*: 4/311

Swissair is first with all-Category 3 fleet: *Oliver Sutton*: 4/315

Korean Air poised for massive growth: *Robert Karniol*: 5/424

Air Mauritius eyes Asian markets: *Robin Gauldie*: 5/429

Traders ponder jets' age and noise problems: *J.R. Wilson*: 5/433

Airliner makers struggle with growth: *Pierre Condom*: 6/520

Third time lucky for Braniff? *Jim Davis*: 6/529

Successful JAL faces growth limits: *Bron Rek*: 6/539

Fixing the passenger liability mess: *Bertrand Bonneau*: 6/543

Airbus A320's first year in service: *Oliver Sutton and Bertrand Bonneau*: 7/678

Are the Soviets set to make the big time? *Oliver Sutton*: 8/772

Commuter jets gain credibility: *Bron Rek*: 8/779

JAA speaks for Europe: *Oliver Sutton*: 8/783

Brief encounter with a sophisticated lady: *Oliver Sutton*: 9/860

Air-India on the rebound: *Hormuz P. Mama*: 10/965

Marshal Volkov on record: 11/1092

Garuda strives to be efficient: *Robert Karniol*: 11/1097

New wings over Germany: *Heinz Schulte*: 11/1100

Cathay Pacific takes a gamble on its future: *Robert Karniol*: 12/1167

FANS to rescue 21st Century air traffic: *Oliver Sutton*: 12/1171

Is MLS still on track in the USA? *Bill Sweetman*: 12/1174

AVIONICS

PAH/HAC avionics choices: *Pierre Condom*: 4/350

The race continues for TCAS business: *Ramon Lopez*: 6/619

BUSINESS

Amadeus: the travel agent's little helper: *Oliver Sutton*: 1/65

Comecon airlines look to West for new jets: *Bron Rek*: 2/125

Sir Raymond restructures BAe for 1990s: *Bron Rek*: 3/227

Let's get on with competition in Europe: *Bertrand Bonneau*: 4/324

GPA president defends leasing industry: *Bron Rek*: 4/327

Hughes seeks broader business base: *Charles Gilson*: 5/413

Southwest Airlines offers something special in Texas: *Oliver Sutton*: 5/416

ADP makes up for world slowdown: *Bertrand Bonneau*: 6/584

Ceselsa on the way up: *Brian Wanstall*: 6/593

Money for other people's aeroplanes: *Mark Lambert*: 6/600

Four majors to watch: *Robert S. Sowter*: 7/699

Minerve's Meyer fights the bureaucrats: *Bertrand Bonneau*: 8/786

Confidence at Martin Marietta Electronics: *Brian Wanstall*: 8/790

Grumman fighting back: *Brian Wanstall*: 9/864

Air Inter's Eelsen confronts challenges: *Bertrand Bonneau*: 11/1103

UTA's Lapautre pursues Eurorights: *Bertrand Bonneau*: 12/1180

Be Our Guest: European deregulation: sham or reality? Peter Smith, Airlines of Europe: 12/1153

COMMUTERS

Looking forward to a regional Europe: *Bron Rek*: 3/201

Hungry for horsepower: *Oliver Sutton*: 3/204

Commuter choice grows: *Bertrand Bonneau and Bron Rek*: 3/209

DEFENCE

Active arrays replacing active radomes: *Brian Wanstall and Martin Streetly*: 1/33

Air support for special operations: *Bill Sweetman*: 2/133

TacR moves to real time: *Brian Wanstall*: 2/139

From chaff to integrated ECM: *Martin Streetly*: 2/145

Renewing the USAF trainer fleet: *Pierre Condom and Brian Wanstall*: 2/149

Perestroika factor in Western air defence systems: *Brian Wanstall*: 3/232

Learning to live on the electronic battlefield: *Martin Streetly*: 3/239

SLAT: the Mach 3 target to test ships' defences: *Brian Wanstall*: 3/242

Living with low flying: *Brian Wanstall*: 4/330

HUD on the head for combat pilots: *Brian Wanstall*: 4/334

Helicopters must fight air-to-air: *Mark Lambert*: 4/343

BAe sees new market for 146: *Mark Lambert*: 4/347

Airborne Radar Supplement: Cake or bread for European combat radar companies: *Brian Wanstall*: 5/443

Airborne Radar Supplement: The US airborne radar scene: *Bill Sweetman*: 5/443

Towards a fighter helicopter? *Maj Gen Maurice Cannet*: 6/552

Tankers boost combat credibility: *Brian Wanstall*: 6/559

Fear and loathing in the US fighter game: *Bill Sweetman*: 7/705

Improving ASEAN air force links: *J.N. Mak and Brian Wanstall*: 7/711

Flying dispensers for stand-off attack: *Brian Wanstall*: 7/717

Mi-28 Havoc is still tomorrow's tank-buster: *Mark Lambert*: 8/802

Su-27 Flanker outflanks Western air forces: *Mark Lambert*: 8/806

Europe to develop new military airlifter: *Brian Wanstall and Guy Norris*: 8/809

Add-on pods for flying at night: *Brian Wanstall*: 9/904

Missile propulsion options increase: *Bill Sweetman and Brian Wanstall*: 9/912
Is stealth misleading? *Doug Richardson*: 10/968
Towards lower-cost focal-plane arrays: *Brian Wanstall and Doug Richardson*: 11/1123
Who's afraid of Gramm-Rudman? *Brian Wanstall*: 12/1201
Commuters in camouflage: *Pierre Condom*: 12/1205

EDITORIAL

Flies better than it looks: *Bill Sweetman*: 1/7
Give us back our $1,132 million: *Oliver Sutton*: 2/93
Safe... or safe enough? *Bill Sweetman*: 3/177
What about the workers? *Bron Rek*: 4/285
Is France an island? *Pierre Condom*: 5/369
Paris and the year of the alliances: *Mark Lambert*: 6/495
Will Europe wait for France? *Pierre Condom*: 7/651
Too much aluminium, not enough concrete: *Bron Rek*: 8/757
Takeovers, damned takeovers! *Mark Lambert*: 9/841
